

# Family Medicine Post graduate Andhra Pradesh

Every family to be under family Medicine post graduate

# Common people has No confidence in MBBS

- Most Indian people prefer to see post graduate Physician
- USA family medicine post graduate started 1970 s
- UK general practice physician ( family medicine) has 3 + year post graduate training.
- Community centers new rule from central govt that family medicine post graduate recruitment
- 4/20/2022 ,
- SIX AIIMS will be starting post graduate family medicine PG courses

# Family medicine post graduation in

- USA Started in 1976
- UH also started in 1972 royal chapter for GP ( Family medicine)

# NMC and NBEMS are very positive in PG seats

- NITI Aayog has vision of 100,000 post graduate seats
- One post graduate seat for each MBBS student

# Numbers from NMC website

- Andhra Pradesh has 31 medical colleges ( 13 govt + 18 private)
- MBBS seats are : 5260 (2410 govt and 2850 Private 50% private seats go to nominal fees)
- PG seats MD/MS/Diploma are : 2447 seats in AP ( from NMC website )
- We need : 2813 Pg seats
- Out of these we need 15% P G seat should be in family medicine
- 15 % of 5260 is 789 seats in family medicine
- Why 15 % ( these are approximate numbers from UK and USA)
  
- Only one Hospital has family Medicine NRI medical college out of
- 31 medical colleges
- Only 6 medical colleges has family medicine PG seats out of 605 medical colleges in India

# Goal is Family medicine 789 P.G seats

- A. 31 medical colleges each has one department
- we should request 6 for. Each Department : 186 seats
- B. District hospitals in Tamil Nadu and Rajasthan
- DNB given 20 diploma in family medicine seats per college and district hospitals
- C. DNB gives 50 bed hospital we should apply all hospital in ap state
- Requests minimum 4 seats per 50 bed hospital
- 6 DNB seats or more for 100 bed hospital

# MBBS seats more per people in AP than USA

- Andhra Pradesh has 31 medical colleges ( 13 govt + 18 private)
- MBBS seats are : 5260 (**2410 govt and 2850 Private 50% private seats go to nominal fees**)
- 5 crores population in AP 5260 MBBS seats
- One MBBS seat for every 9,505 people in AP state
- Vs USA one medical seat to every 11,344 people in
- ( 329 million 29000 medical seats )
- India One MBBS seat for 15,095 people ( 91,415 MBBS seats for 138 crores )

PG seats in AP state and India has much lower than in USA

- USA has one PG seat to 9400 people ( 35,000 per 329 million)
- AP state. One PG seat for 20,443 people ( for 50 million or 5 crores )
- India One P.G seat for 27600 people ( 50,000 PG seats for 138 crores )

# DNB family Medicine

- AP Government request all 50 + NABH hospitals who part of Aryogysree
- To start
- DNB seats in family medicine
- Dr Prashanthi Alla applied for Tulasi hospital in Guntur

# Govt Letter to all 18 private medical colleges to start

- Family medicine department as per NMC rules
- 30 bed unit
- 1 professor ( medicine/Ob Gyn/surgery)
- 1.associate professor ( medicine/Ob Gyn/surgery)
- 1 assistant professor
- 1 senior resident Physician
- It will give Post Graduate seats in family medicine

# Start Departments in 13 govt medical colleges

- Family medicine department as per NMC rules
- 30 bed unit
- 1 professor ( medicine/Obgyn/surgery)
- 1.associate professor ( medicine/Obgyn/surgery)
- 1 assistant
- 1 senior resident
- It will give Post graduate seats in family medicine
