Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Hyphen (-) indicates program not accredited during year.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Hyphen (-) indicates program not accredited during year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Hyphen (-) indicates program not accredited during year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Hyphen (-) indicates program not accredited during year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Hyphen (-) indicates program not accredited during year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Hyphen (-) indicates program not accredited during year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.

Family Medicine Graduation Year - The year a resident completes Family Medicine training.

Number of Residents Who Completed Training - The total number of Family Medicine residents with a training end date during the graduation year.

Taken - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

Passed - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

Failed - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

Take % - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

Pass % - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

National Average - The nationwide average scaled score for all first time examinees who completed training in the graduation year.
